Rushcliffe Borough Council Decisions

There are none

Discussion took place in regard to how the council should deal with planning applications, with the clerk saying to meet regulations any application had to go to a council meeting in order the public could attend. Coun. Sutton volunteered to be the main contact for planning and would look at any application made in respect of Bunny and decide what action was required to deal with it.

11] FINANCE

PAYMENT OF ACCOUNTS were approved as per the circulated list.

12] VILLAGE HALL

Coun. Featherstone spoke on the responsibilities of the council in regard to work required for the village hall, having in mind the council are responsible for both exterior and internal decorating. She also spoke on the fact that private party etc bookings for the hall were apparently down.

The question of the condition of the hall interior walls through dampness was discussed and Coun. Rogers said he would be able to obtain the services of someone who could give an estimate of the problem and what required doing and it was agreed he should.

The meeting agreed that Coun. Featherstone should be appointed to be the council representative to the Bunny and Bradmore Charity Trustees.

13] ENVIRONMENT AND FOOTPATHS

An increase in the amount of dog fouling incidents was apparent in parts of the village and concerns were expressed at the health problems that can be caused by this. Coun. Mrs Featherstone informed the meeting that the school headteacher had decided to impose a total ban on dogs on the school grounds. A suggestion was made that children at the school should be asked to design some specific posters to advise the public of the decision.

The meeting was told that the school headteacher, Mrs Georgina Anelay, had advised that following an audit of Safeguarding procedures she had made a decision to close the school grounds following the departure of the students at 3-25pm, a move aimed at ensuring the safety and security of children attending Burrows Club and After School Clubs. Already in place is the closure of the school gate once all classes have been dismissed and entry into the school following this time will be through the main reception area. Once all children in the care of the school have left, the school field will be opened to the community as normal from 6pm and during the weekends.

Added Mrs Anelay: I understand that some families may be disappointed that they cannot allow their children to play on the field after school. However I must ensure that consistent safeguarding practices are being implemented across the school in all circumstances.

Coun. Featherstone said she had obtained prices for new items of play equipment on the council land, including a two seat swing. The matter would be progressed at the next meeting.

The meeting felt prices should be obtained for the necessary work on the building before confirming
