

# Welcome to the Bunny Bulletin

The Bunny Bulletin is the Bunny Village monthly magazine. It was founded in September 1998 and is distributed free of charge to every household and business in the Parish of Bunny.

It is produced by a team of volunteers and is funded by Bunny Parish Council and advertising.

The Editorial Committee is conscious that the population of Bunny is constantly changing and is aware that the sense of community that many of us value is in danger of being lost. By promoting village activities and events, raising issues that affect the life of the village, giving a voice to Bunny residents and supporting local businesses and trades-people, we hope to foster a sense of belonging in those who live in our village.

## EDITORIAL

December 2012

First of all, let me draw your attention to the new advertisement (below left) - you may like to give Paul a ring if you are thinking about having work done on your trees during the winter months. Also, on page 49, you will find Max Pickerill's re-vamped advertisement for "Specialised Groundcare".

December is upon us once more (with all that entails!) and on pages 32 and 33 there is a summary of what is going on in Bunny, although details of an additional event - the Children's Film Night - are on page 34. Do come along and join in, and, if you have not already bought your ticket for the Nottingham Concert Band Christmas Concert, now it the to do so - see page 18.

If you are planning "a bit of a do" of your own, you might want to show some consideration for your carpets and paintwork, and use the Village Hall instead of your house. Hire details are on page 15. On the same page you will find the Last Posting Dates for Christmas - make a note!

Of course, with the winter comes the "season of colds and aching flueyness", and we have advice on keeping warm (page17), and (page 22) dealing with minor illness without resorting to the doctor's surgery (the waiting rooms are full of infectious people, you know!). If you still have an open fire, then guard against power cuts and broken down boilers, by stocking up with logs - available from Neil at the Bunny Wood Log Sale (page 41).

Anyone who was around in 1930, should turn to page 23 where John Randall has supplied a photo of the boys of Bunny School, which was in what is now the Village Hall (you can see the old school bell above the east window). Can you identify any of them?

Looking ahead to 2013, those of you who have enjoyed "Derek's Tours" in the past will be interested in reading what he has on offer for the new season - page 39.

Well "Happy Christmas Everyone!"

## Christingle Service in Bunny Church

Sunday 9th December  
at 4.00p.m.

A special candle-lit celebration  
For children that welcomes  
the whole community.

The Children's Society first introduced Christingle to The Church of England in 1968, and it has since become one of the most popular events for families and communities in the church calendar.

Loved by children and adults alike, this candlelit celebration is an ideal way to share the key messages of the Christian faith, while helping to raise vital funds to help vulnerable children across the country.

### The celebration

Christingle celebrations may include songs, prayers, performances and a collection in aid of The Children's Society. The main element that is universal to all Christingle celebrations is the lighting of Christingle candles.

### Helping vulnerable children

The Children's Society relies on the vital funds raised through Christingle celebrations to fund our work with vulnerable children and young people in your community and across the country.
