

# Welcome to the Bunny Bulletin

The Bunny Bulletin is the Bunny Village monthly magazine. It was founded in September 1998 and is distributed free of charge to every household and business in the Parish of Bunny.

It is produced by a team of volunteers and is funded by Bunny Parish Council and advertising.

The Editorial Committee is conscious that the population of Bunny is constantly changing and is aware that the sense of community that many of us value is in danger of being lost. By promoting village activities and events, raising issues that affect the life of the village, giving a voice to Bunny residents and supporting local businesses and trades-people, we hope to foster a sense of belonging in those who live in our village.

## EDITORIAL FOR JANUARY 2010

Well, this bumper edition came around a bit soon for my liking, but here it is, and if you are reading it before Christmas, a Merry Christmas to you all and, of course, a Happy and Peaceful New Year.

First let me point out Kev Cotterill's property maintenance advertisement (below left), and then urge you to glance through the advertisements each month - you will notice that Christina the hairdresser has a very smart new ad and that Jo at Six Acre Nursery frequently has seasonal changes to her advertisement. Also have a look at page 47 where we outline our policy on advertising local events in Bunny and surrounding villages.

Event-wise this month we have reports (and photos) from the seasonal happenings in Bunny (an excellent Village Supper, by the way, thanks to Graham for organising it and to Rachel and company from the Rancliffe for making us so welcome). At the time of writing we have Christingle, the Tree lighting, the Carol Service and Santa's visit to look forward to. We also anticipate January with a reminder that tickets are now available for the Wine Workshop, an evening of wine-tasting to raise funds for the Church, and news of the Benefice Social at St Mary's - a get-together for the people of the parishes of Bunny with Bradmore, Keyworth and Stanton on the Wolds.

We have a profile of the new Head Teacher at Bunny School. Dan Rhodes takes over the reins from Steve Thomas, who has done a marvellous job of holding the fort until a new appointment could be made. We wish them both every success. Sadly, we have an awful lot of information about crime of all kinds - you do have to keep your wits about you these days - difficult when you are a trusting soul like me! Has anyone else been telephoned with an offer of a free gift of "beautiful Limoges porcelain"?
