

Welcome to the Bunny Bulletin

The Bunny Bulletin is the Bunny Village monthly magazine. It was founded in September 1998 and is distributed free of charge to every household and business in the Parish of Bunny.

It is produced by a team of volunteers and is funded by Bunny Parish Council and advertising.

The Editorial Committee is conscious that the population of Bunny is constantly changing and is aware that the sense of community that many of us value is in danger of being lost. By promoting village activities and events, raising issues that affect the life of the village, giving a voice to Bunny residents and supporting local businesses and tradespeople, we hope to foster a sense of belonging in those who live in our village.

EDITORIAL – JULY 2008

Make a start this month by turning to page 43 where you will find 3 new advertisements. Elliott's Turf from Keyworth is just the place to go whether you want a new lawn or are just patching up some worn areas - they will also take the pain away if you don't fancy laying it yourself! The Big Friendly Gardener is also advertising his services for the first time, whilst Athalie, SHAPE Fitness, has started a Pilates Class in the Village Hall. This runs prior to her established Aerobics Class on Thursday evenings.

The BIG EVENT in Bunny in July is the Fun Run and Barbecue. The Run is for everyone - young, old and in-between; serious competitors, gentle joggers and even those who prefer to walk! After their showing at the 5 a-side, perhaps we will see some Bunny Dads donning their trainers and giving it a whirl, (Bunny Mummies as well of course!). The BBQ is very low key - strictly DIY and a good social get-together for all Bunny residents. Just bring along your portable barbecue, some food and drink, picnic table, chairs, gazebo, rugs, sunshade sun cream, fly repellent - and don't forget the kids!

Not much else in Bunny during July but plenty happening in neighbouring villages - see opposite and on page 32. Bradmore were lucky with the weather for their Open Gardens in June. It made me think how enjoyable these village events are. Whilst those in the National Gardens Scheme are marvellous, one can't help but recognise that the amount of work (and expense) involved is beyond what one would be prepared to put in. The Village open gardens are ones that one can aspire to rather feel intimidated by. Perhaps Bunny could do something in 2009?

Longest day gone - all downhill to winter from now!
