

Welcome to the Bunny Bulletin

The Bunny Bulletin is the Bunny Village monthly magazine. It was founded in September 1998 and is distributed free of charge to every household and business in the Parish of Bunny.

It is produced by a team of volunteers and is funded by Bunny Parish Council and advertising.

The Editorial Committee is conscious that the population of Bunny is constantly changing and is aware that the sense of community that many of us value is in danger of being lost. By promoting village activities and events, raising issues that affect the life of the village, giving a voice to Bunny residents and supporting local businesses and tradespeople, we hope to foster a sense of belonging in those who live in our village.

EDITORIAL – JUNE 2008

Before anything else, let me apologise for the number of errors in the May Bulletin. Once more, computer problems sabotaged my best efforts, work was halted for 4 days, leaving a very short time to the printing deadline. Consequently the re-checking after correcting the proofs was skimmed and some formatting errors and omissions slipped through.

As is our usual practice, new advertisements get a mention and this month you will find one on page 47 for a Part-time Clerical Assistant at Bunny School. Also the 50 Lounge Restaurant at Loughborough returns to page 2 - very much worth a visit!

The birds and the bees feature in the Bulletin this month. Douglas and Deidre are back together again (that takes care of the birds) and John Rowley gives us some useful information about the miner bee (appearing now in a garden near you!). The well-attended and much enjoyed Village Football Tournament and Church Coffee Morning and Cake Sale are reported "Hello" magazine style with plenty of photos (Dave Whitfield's footy report is not to be missed).

The two major events in Bunny in June are the Strawberry Fayre at the school and the concert by the Nottingham Wind Ensemble in the Church. Both are raising funds for Bunny projects - the former for the Play Area and the latter for the Church Roof Fund which, as you know is desperately in need of contributions to kick-start the repair programme following the theft of lead, the earthquake and the gales earlier in the year.

Farther afield there is also plenty going on. Bradmore and Keyworth have Open Garden days whilst events in Tollerton, East Leake, Hickling and Kingston upon Soar are well-worth a visit and a family outing will not cost a fortune!

So - here comes summer - although a spot of warm rain is long overdue.
