

Welcome to the Bunny Bulletin

The Bunny Bulletin is the Bunny Village monthly magazine. It was founded in September 1998 and is distributed free of charge to every household and business in the Parish of Bunny.

It is produced by a team of volunteers and is funded by Bunny Parish Council and advertising.

The Editorial Committee is conscious that the population of Bunny is constantly changing and is aware that the sense of community that many of us value is in danger of being lost. By promoting village activities and events, raising issues that affect the life of the village, giving a voice to Bunny residents and supporting local businesses and trades-people, we hope to foster a sense of belonging in those who live in our village.

EDITORIAL FOR MAY 2009

We have two new advertisers this month. First, on page 43, a new business based in Bunny, Gillian Higgins of Main Street, offers sports and remedial massage and manipulation to those suffering from muscular aches and pains. Then, on page 48, Rod Alderman from Ruddington advertises his plastering service.

Now that we know the earliest date for the first round of the judging of the Best Kept Village Competition, June 8th, we can start thinking what we have to do to our front gardens and around the Village in the six weeks between now and then. My fences need a coat of wood preservative, the block paving needs treating with weed killer, plants need pruning, dead-heading, tying-in, and tying-up. The celandines need pulling out and the planters need potting up - everything needs something! One thing that I feel detracts from the appearance of many properties (and not just in Bunny but everywhere) is the wheelie bin. Where to put these very useful but extremely bulky containers is a problem, especially if you don't have a path to the rear of your property. Perhaps Bunny residents can offer some ideas?

You will read inside how the dead hand of bureaucracy fell on the Litter Pick and The Best Kept Village planter plans, but are we down-hearted? No we are not!!

Lots to do in May with events in Bunny Wood, at its best at this time of year - if you haven't been there, get yourself along. We have two pages of "what, on where" notices (pages 20 and 34) and a feature on Newark and Notts. Show - ideal for a family outing as kids get in free!

May - the best month of the year!
