

Welcome to the Bunny Bulletin

The Bunny Bulletin is the Bunny Village monthly magazine. It was founded in September 1998 and is distributed free of charge to every household and business in the Parish of Bunny.

It is produced by a team of volunteers and is funded by Bunny Parish Council and advertising.

The Editorial Committee is conscious that the population of Bunny is constantly changing and is aware that the sense of community that many of us value is in danger of being lost. By promoting village activities and events, raising issues that affect the life of the village, giving a voice to Bunny residents and supporting local businesses and trades-people, we hope to foster a sense of belonging in those who live in our village.

EDITORIAL

May 2012

Spring Fever is beginning to take hold, as witnessed by the number of out-doorsey activities featured in this month's magazine. From enjoying the wild flowers and spring greenery on the Bunny Wood Open Day, through visiting an Open Garden in Tollerton, or taking part in Notts. Wildlife Trust's "Wildlife Watch", to maybe even "getting physical" and joining the Rushcliffe Country Park Volunteers.

In Bunny, Saturday May 12th is the date to look out for. The School and the Church are holding events at the same time and most people flit between the two. So, on the School playing field, teams of Bunny Dads knock spots off each other in a 5-a-side football tournament (always worth watching!) whilst, over the road in the Church, there is a Home-made Cake Sale, and the opportunity to sit down out of the sun, wind or rain (and the shouting) for a hot drink, a gossip and a cake or two. Chris Brown is organising the Cake Sale and would welcome donations of home-made cakes or biscuits. Give her a ring (9211791) if you are willing to help. There will also be plants and books for sale.

If you visit Ruddington's Spring Fayre the following weekend, (a good do - but get there early!) you will find a good selection of bedding, herbaceous and vegetable plants, as well as cakes, jams and books.

Paul Wright tells me that there is good news on the speed-limit front. There were three objections to the proposal by the Highways Department to reduce the existing 50mph limit to 40mph between Bradmore and a point between the end of Keyworth Lane and Albert Road, and to impose a 30mph limit from there, through the Village as far as Fairham Brook. As a consequence the proposal had to go to appeal, but the inspector found in favour of NCC and the new speed limit will be imposed in the near future. Thanks Paul, for your contribution to making the A60 through Bunny much safer.
