

Welcome to the Bunny Bulletin

The Bunny Bulletin is the Bunny Village monthly magazine. It was founded in September 1998 and is distributed free of charge to every household and business in the Parish of Bunny.

It is produced by a team of volunteers and is funded by Bunny Parish Council and advertising.

The Editorial Committee is conscious that the population of Bunny is constantly changing and is aware that the sense of community that many of us value is in danger of being lost. By promoting village activities and events, raising issues that affect the life of the village, giving a voice to Bunny residents and supporting local businesses and trades-people, we hope to foster a sense of belonging in those who live in our village.

EDITORIAL

October 2010

Now, before you do anything else, pin the enclosed new X9 timetable (thanks Heather and Christopher) onto your kitchen noticeboard, then put the kettle on. Find your diary, turn to pages 26 and 27 and enter the dates for October, and those in the Planning Ahead section - you wouldn't like to miss anything would you? Kettle boiled? Make yourself a coffee, grab a couple of biscuits and settle down for a nice long read!

A quick glance through the advertising pages will remind you where to turn to for local help, and you should spot an updated advert for Mascari Kitchens and their Indian Cookery Demonstration on October 14th. On page 43 you will find out that Liz Nathan, Moor Lane, is starting her Language Classes this month and that Southwolds School Autumn Fair and Food Market is on the weekend of the 16/17th October.

As I sit here, by my open window, tapping away on a pleasant autumn morning with only the sound of the - no, not birds but, heavy goods vehicles for company, I read in Norbury Natters of proposals to limit the weight of HGVs on the A60. Go for it Graham! Follow this with a 30mph speed limit, and a full road repair with low-noise resurfacing material, it might even be possible to hold a conversation with passers-by.

What else - the B.B. Annual Report (plea for help), more on the Land Army from Beryl, a homily on using rights of way from Pete, and a scolding from Graham (again) about dog poo). I'd like to add my penn'orth here. In Bunny we have a lot of dog owners (I'm all for it!) but short stretches of public footpaths that are heavily used by owners giving their pets a quick walk before and after work get very messy, those up the mine road and between the end of Main Street and Moor Lane are cases in point. Please pick it up for all our sakes - we will soon be taking these walks in the dark, and you never know what you might step in!

Nottingham Concert Band will be performing in Bunny Church on October 23rd. We envisage some parking problems so if anyone could offer space on their drive for band members to park (from about 4pm until the concert finishes around 10pm) it would be much appreciated. This would make parking easier for members of the audience who arrive by car. Give me a ring if you can - thanks!
