

Welcome to the Bunny Bulletin

The Bunny Bulletin is the Bunny Village monthly magazine. It was founded in September 1998 and is distributed free of charge to every household and business in the Parish of Bunny.

It is produced by a team of volunteers and is funded by Bunny Parish Council and advertising.

The Editorial Committee is conscious that the population of Bunny is constantly changing and is aware that the sense of community that many of us value is in danger of being lost. By promoting village activities and events, raising issues that affect the life of the village, giving a voice to Bunny residents and supporting local businesses and tradespeople, we hope to foster a sense of belonging in those who live in our village.

EDITORIAL – SEPTEMBER 2008

Two new advertisements this month. The first, on page 2, announces the opening of a Garden Coffee Shop at the Six Acre Nursery (on the A60 just beyond the Costock crossroads). Alan Locke is the person to ring if you need someone to take care of all your computing needs as well as sorting out your home security. His advertisements are on page 43.

Rather a different picture on the front cover this month - what is it - where is it? Turn to page 19 to find out!

On page 15 Graham Norbury gets us up to speed on the planning application for the Bunny Brickworks site. The inevitable increase in traffic volume is one of the main concerns of the Parish Council, whilst in the Letters pages, John Moss and Ian Hunt are concerned about traffic speed.

We have any number of people in Bunny who strive to keep the village spirit alive. They are involved in Village Groups, organise village events from fun-runs to football tournaments or just take part in whatever is going on. Why not get out your bike or walking shoes and join in the "Ride and Stride" on September 13th (page 30); or maybe turn up to one of Athalie's exercise classes in the Village Hall (page 46)? Turn to the Village Groups page (51) to see if there is something there that takes your fancy. Read Jan's plea on page 39 about helping the History Group to keep their work going. Thinking ahead to October, put the dates in your diary for Grumpy Pete's "Best Kept Village" meeting, the "Pets Service" in Bunny Church and, of course, the traditional Harvest Festival and Harvest Lunch.

Finally, just to keep you in the loop, repairs to the church spire have been delayed because of an injury to the steeplejack. They should start on August 26th.
