

# Welcome to the Bunny Bulletin

The Bunny Bulletin is the Bunny Village monthly magazine. It was founded in September 1998 and is distributed free of charge to every household and business in the Parish of Bunny.

It is produced by a team of volunteers and is funded by Bunny Parish Council and advertising.

The Editorial Committee is conscious that the population of Bunny is constantly changing and is aware that the sense of community that many of us value is in danger of being lost. By promoting village activities and events, raising issues that affect the life of the village, giving a voice to Bunny residents and supporting local businesses and trades-people, we hope to foster a sense of belonging in those who live in our village.

## Subscribing to the Bunny Bulletin

If you are not a Bunny resident but would like to receive a copy then you may like to take out an annual subscription.

**Perhaps you would like to arrange a subscription for a friend or relative with Bunny connections?**

**The Subscription is currently £6 per annum *plus postage and packing.***

Initial inquiries should be made by letter, including a stamped addressed envelope, to Mrs. Heather Paul, 148, Loughborough Road, Bunny, Nottingham, NG11 6QS.

**Each Month our Web Page will give you a Taste of the Content of the Bunny Bulletin by including the Editorial and Information on the Village Events for the Month.**

## EDITORIAL FOR SEPTEMBER 2009

**Turn** to the centre pages. Pull out the bus timetables that you will find there, then pin them on your kitchen notice board - job done! **A word of warning** - these timetables have been edited down as the originals were too unwieldy to reproduce in the Bulletin - I think **(hope) that we have included the essentials for Bunny residents AND THAT THERE ARE NO ERRORS!**

On page 2 there is an advertisement for a new restaurant in Loughborough - The Printroom - check it out sometime.

We are beginning our twelfth year of publication with a series of cover stories featuring those Bunny residents who serve the village through the office that they hold in the Church or on the Parish Council. As she is new to the village and keen to meet you all, we have started with our recently appointed curate, Christine, who is living in Bunny vicarage. Please say "hello" to her when you see her about.

Quite a lot of church stuff this month - and it is not just for churchgoers - dig out your bike and join Christine on the Historic Churches Bike Ride (p35). Did you know that no-one from Bunny has ever taken part in this? Perhaps the bike owners amongst us could put that right this year! I could do with some help from anyone interested in Bunny Church as part of our architectural heritage (p24) and Revd. Margaret needs a few more bodies to fill the coach for her trip to Worcester. You don't have to be a church-goer to join any of these enterprises.

New to Bunny? Have a look at the inside back cover, where you will find a list of the various groups in the village - you might just find something of interest and you could get to know a few people in the process.
